Jennifer, in order to coordinate with our site tour and because of the SETAC meeting in New Orleans, the best day for the QEAFate model presentation is November 18th.

Eric, Chip,

I wanted to follow up with you on scheduling the QEAFate model presentation and the site tour with Ron and Todd. Have you had a chance to review these dates with your team yet?

Eric, Chip,

As discussed at today's Portland Harbor Managers meeting, we need to coordinate the following items for the week of November 16th:

- A. Site visit with Todd King and Ron French (2 to 3 hours)
- B. QEAFate model presentation (4 hour meeting)

Possible timeframes for these items:

- 1. Monday, November 16th morning  
Best suited for site tour as Todd and Ron will be in town for the 11/17 meeting.
- 2. Wednesday, November 18th 1 - 5 pm
- 3. Thursday, November 19th morning or afternoon open
- 4. Friday, November 20th morning or afternoon open

Already on the calendar: Alternatives Analysis Workshop Tuesday, November 17th 9 am - 5 pm

Please let me know what timeframes will work for the CDM team for the site tour and what timeframes will work for the EPA team for the QEAFate model presentation.

Please let me know if you have any questions.

Thank you,
